Aaron Hickman has also decided to step down as Treasurer. Aaron has done a fantastic job and leaves the Committee in a very healthy financial state.

Graham Beckley has retired from the Committee after many years as Society photographer and doing sterling work in the BCS bookstore.

Lawson Hunt has retired from the Committee after many years of service.

Despite only serving just over a year as Secretary, Andrew Homer is having to step down due to a recently decided move to Devon.

We are pleased to welcome Anna Muggeridge, Jack Price, Simon Briercliffe, Karen Davies and Keith Robinson to the Committee. Anna will be taking over the role of Secretary, Jack is working with Tony on Membership, Keith will manage the bookstore, and Karen is our new Society Archivist.
